NARRATIVE

#135530

A few weeks ago, I received information that a GARY subject that lived by the Eastwood Motel was drugging young girls and forcing them into prostitution. The individual that I spoke with referred to him as GARY and said that he lived on the first street west of the Eastwood Motel. They said that he drove a blue Intrepid. I later associated this vehicle with a GARY TODD and obtained a license number of 523-FWE. I have been out to the Eastwood Motel numerous times attempting to locate the address and finally located an address of 1113 Eastland Circle as possibly being the correct address. The GARY subject was possibly identified as GARY TODD. GARY TODD is associated with the Blue Rose and Lynn's Massage here in Columbia. He is also associated with BARRY MANTHE at 1207 Rangeline. I have been unable to substantiate the information that I received.

According to the person that I spoke with, TODD and a couple of other people were getting older teenage girls and getting them hooked on crack cocaine and shooting them up and keeping them drugged and forcing them into prostitution. I have seen very little activity on Eastland Circle since I obtained this information. I am familiar with GARY TODD and he is associated with prostitution and narcotics, however, I have not been seeing an increase in activity around the Eastwood Motel. This report is for informational purposes only.

No further.
