NARRATIVE

#694741

On 10/18/10 at approximately 15:00 hours I was dispatched to a prostitution call at 1125 Vandiver Dr. I was informed by Joint Communications that an anonymous female caller wanted to speak to an officer about prostitution at this address.

I made phone contact with a female who identified herself as Sandra BULLOCK. The female advised there were two white males at this residence who were running prostitutes out of the house. She identified these individuals as Barry and Ryan. She identified Ryan as having a street name of Vegas, and being from Las Vegas, Nevada. The caller also advised clients could call in to Barry or Ryan and arrange for prostitutes at the house, and were charged \$100 and would be charged \$150 for call outs. The unidentified female also advised she had bought 8 balls of crack cocaine from Barry and Ryan at this address. The caller indicated she had seen crack cocaine and powder cocaine in the residence.

On 10/19/10 I was informed from Joint Communications that Tiffany COOK had been arrested on an outstanding warrant. A search of the phone number that Tiffany COOK could use revealed it was the same number that had been used to call on a prostitution call on 10/18/10. Tiffany COOK'S birth date is /89.

I request this report be forwarded to the narcotics unit for their review.
