NARRATIVE

#827271

On 07/20/13 at approximately 19:14 hours I made contact with Daniel STEWART reference possible child abuse going on at 1125 Vandiver Drive.

STEWART stated there is a female - Amy Lynn PUCKETT - who lives in 3030 Baseview Drive, Holts Summit and is taking her 13 year old daughter, Tori, (unknown spelling and/or last name) to a house of prostitution located at 1125 Vandiver Dr. STEWART stated he had performed work at the target address on several occasions, and saw PUCKETT and her 13 year old daughter in the house. STEWART stated there is prostitution as well as drug use going on inside the residence. STEWART did not know if PUCKETT'S 13 year old daughter was participating in any of the activities, or was only present while mom was.

At the time of the call STEWART was unsure if PUCKETT was present there with her daughter now. STEWART stated PUCKETT drives a blue 1996 Lincoln Towncar with unknown registration.

This information was forwarded to the child abuse hotline, but did not reach their criteria for an investigation.

PUCKETT has prior arrests in Columbia Police records showing prior use of methamphetamine, and STEWART said the subjects are using drugs other than meth. This case is being forwarded as intel report due to the possible prostitution and drug use going on in the residence.

The complainant is Daniel STEWART. He did not provide home address, but lives in Holt Summit with phone .
