NARRATIVE

#931995

On 01/27/2017 Officer Jesse Monroe informed me he searched a vehicle, gray Chevrolet Tahoe with license PP4H3K, possibly related to this case. Officer Monroe informed me that narcotics and two cell phones were found in the vehicle, and that only the narcotics were collected. Officer Monroe also informed me that the vehicle was towed to the Columbia Police Department Training Center; for more information see Officer Monroe's supplement.

On 01/30/2017 at approximately 1558 hours the owner, Jeffrey Tucker, arrived at the CPD to inquire about his Tahoe. I requested Tucker give me consent to search the vehicle, and he agreed to do so. Tucker signed a Columbia Police Department consent to Search form.

On 01/31/2017 at approximately 1359 hours I arrived at the CPD Training Center. I photographed the exterior and interior of the Chevrolet Tahoe, with license PP4H3K.

For evidence I collected one gray Kyocera Sprint cell phone, model S3015, from the front passenger seat. For evidence I collected one gray/black Samsung Virgin Mobile flip phone, model SPH-M340, from the back mesh pocket of the front passenger seat.

When I was finished I took exit photographs. I made phone contact with Tiger Towing and requested they respond to my location. Sergeant Michael Maynard requested I have the vehicle towed to the CPD, to be given back to Tucker.

I then made phone contact with Tucker, at 573-424-8861, and informed him I was finished with his vehicle and that he needed to respond to the CPD to pick the vehicle up.

Once the tow truck driver arrived at the CPD Training Center I had him sign a tow form, and informed him he needed to drop the vehicle off in front of the CPD.

Once I arrived at the CPD I gave the keys for the vehicle to Tucker, and he eventually left in his vehicle.

I packaged and place the phones into Evidence. Photographs taken were
